

Not Your Average Showpig Sale

This is NOT your average pig sale. The difference from us and every other pig sale is we focus on *quality over quantity*. Our goal is to offer the highest quality pigs for sale and not just fill up the sale barn. Anyone can raise and sell show pigs, but few offer an amazing level of experience, dedication and passion for raising show pigs.

We offer an elite variety because we realize not everyone needs the same type of pig at the same time or event. For over a decade, this sale continues to offer you different sizes, breeds, and ages. The pigs we offer at this sale are the result of:

- 50 plus years of raising showpigs
- 20 years of direct experience with the nation's premier boar studs
- Decades of producing Champions in 15 states, from local to national swine shows
- A large investment in a foundation herd from the premier breeders in the country
- A sustainable health care system and nutritional program
- Advice and experience with top showpig breeders and experts

We share the common goal for you to be holding a purple ribbon this summer. Give us a look and think about what your summer could be. Our quality selection can be viewed at 6:30PM and the sale will begin at 7:30PM. We look forward to seeing you and answering your questions.

Think of our sale this way; would you rather have a plain burger from fast food or a steak from the top restaurant in your area. ***DON'T SETTLE FOR AVERAGE... TAKE THE OPPORTUNITY AND DEMAND THE BEST!***

Respectfully,

Adrian Brown
